iOS Developer

I am a 3rd year Computer Science student at Kazakh-British Technical University. My favorite niche is iOS development. During the summer bootcamp at nFactorial Incubator 2023, developed an AI-based iOS application

WORK EXPERIENCE

iOS Developer • Internship • 06/2023 – 08/2023

nFactorial School • Almaty, Kazakhstan

From 4000+ applicants, I won an opportunity to participate at summer bootcamp at nFactorial Incubator 2023 among 75 people, where I developed an iOS application powered by generative AI.

EDUCATION

Bachelor's Degree in Information Technologies

Kazakh British Technical University • Almaty, Kazakhstan • GPA: 3.5 • 09/2021 – 06/2025

CERTIFICATIONS

iOS Development

nFactorial Incubator 2023 • 06/2023 – 08/2023

VOLUNTEERING & LEADERSHIP

Kazakh British Technical University

Mentorship • Almaty, Kazakhstan, Almaty • 09/2023 – 01/2024

My main goal is to help 1-year students to dive into the world of programming by conducting lessons, meetings, and mentoring.

SKILLS
